MARCH 22, 1990

IN RE: Semi-Annual Review of Base Rates for Fuel Costs of Carolina Power and Light Company) ORDER GRANTING) WITHDRAWAL OF) INTERVENTION AND) SETTING PREHEARING) CONFERENCE
--	---

On March 5, 1990, Nucor Steel (Nucor) filed with the Public Service Commission of South Carolina (the Commission) a Motion to Withdraw from Proceedings in the above-captioned matter. Nucor stated that since becoming a party in the foregoing proceeding, Nucor has resolved a number of issues with Carolina Power and Light Company (CP&L) outside this proceeding. Therefore, Nucor, based on mutual agreements reached in this proceeding, has agreed to withdraw as a party. Nucor asserts that its withdrawal from the proceeding will not prejudice any party, nor will it cause any delay in the proceeding. The Commission finds that Nucor should be permitted to withdraw as a party in Docket No. 90-2-E.

On March 12, 1990, CP&L filed a Motion for a Prehearing Conference in the above captioned matter. CP&L asked the Commission to schedule a prehearing conference in order to obtain information from the Consumer Advocate concerning the issues the Consumer Advocate will raise in the hearing. The Commission schedules a prehearing conference for Tuesday, March 20, 1990, at 4:00 p.m.
